CHINN RACER BEATS T. M. GREEN IN DRIV-ING FINISH AT MONCRIEF.

Son of Hastings 'Has Scored by a Head in Each of His Last Three Starts-Golden Changes Hands by Bidding-Up Process.

Jacksonville, Fla., February 24.—Today was an off day at Monerief Park, as Fridays usually are. The card offered was of ordinary catiber, a majority of the races being cheap selling affairs, in which medicers fields went to the post. An allowance race, at a mile and a sixteenth, was provided as a feature and furnished a head finish between Princelike and T. M. Green, with the Chinn racer victorious. Princelike has won his last three starts and on each occasion his margin has been only a head. He has been one of the most consistent horses racing here this winter. In his last ten starts Princelike finished first upon six occasions, was second three times and third once.

The two-year-old race went to Working Lad, from the Gerst stable. Working Lad made his company look cleap. He led throughout and won in a canter by three lengths. Claude Hoffman, making his maiden effort, was a well-backed favorite. He ran greenly and was never prominent, being cased up at the end.

The Breeders' Purse found the first three fighting

by three lengths. Claude Hoffman, making his maiden effort, was a well-backed favorite. He ran greenly and was never prominent, being cased up at the end.

The Breeders' Purse found the first three fighting it out, with the 50 to 1 shot, Rhasneth, first home, a neck in advance of Borrower and Woolspun a nose behind Borrower.

After Golden won the third race he was boosted by Sam Louis to \$1,200. John W. Schorr then bid \$1,250 and secured the colt. Golden was claimed from Mr. Schorr by Louis Tauber a few days ago. The latter had boosted several of the Louis racers and today's rump was in retaliation.

Dress Parade II., winner of the fifth race, was also bid up. J. W. Schorr did the bidding and carried the horse from \$400 to \$700. He was bid in. Definite's poor showing today led to a ruling being made by the officials which bars the further entry of this horse at the meeting.

The ban against Beau Brummel has been lifted. The entry of this horse was refused because he bled. His owner, F. Gering, Sr., thinks he has cured the horse of his allment and he will be given another chance to race.

Jockey Bell will ride no more during the Monerief meeting. Hugh Penny, who has the boy under contract, has made arrangement to send him to his home for a well-carned rest. This boy has not felt well since his second fall and has an injury on his knee that will not heal.

SUCCESSFUL JOCKEYS AT MONCRIEF.

Of the jockeys who have been seen in the saddle at Jacksonville this winter Joseph McCahey has been the most successful. This skillful young rider, who is under contract to James Pitzsimmons, has piloted fifty winners since the opening of the Moneriet Park meeting, while his nearest rival, jockey. Butwell, has forty-five winners to his credit during the same period. M. Bell, with thirty-nie, and Goose, with thirty-eight, follow next in order. AMERICAN RIDERS GO ABROAD TODAY.

AMERICAN RIDERS GO ABROAD TODAY.

New York, February 24.—When the North German toyd steamer George Washington sails tomorrow it will have on board a quartet of prominent American jockeys in Fred Herbert, Micky Miles, Vincent Powers and W. Knapp, who affixed signatures to contracts to ride in Europe in 1911. Herbert, Powers and Knapp will ride for Baron Oppenheimer and Richard Heinal, whose horses are trained by the American horseman, James H. McCormick, in Germany. Mr. McCormick is leaving no stone unturned to bring about success for his employers the coming season, for besides the trio of riders he secured while on his visit to this country, he has arranged to bave Fred Alberts attend to the plating of the horses in his charge. This is Mr. Alberts' second engagement in Germany. In 1907 he did the plating of the Von Weinberg horses, at that time trained by George Walker.

Micky Miles returns to Austria, where he is under contract to ride for M. Eygedi.

THIRTY LEADING MONEY-WINNING OWNERS OF 1911

G. P. Chinn, practically a newcomer in racing, is for the time being the leader of the American winning owners of 1911. All things considered, his present total of \$7,360 is quite a comfortable accumulation for so early in the year. The Missouri owner and breeder, Barney Schreiber, is first in number of races won and a good second in stable earnings. George Odom has done well at Juarez and stands third in the list, but is only slightly in advance of the Louisville turfman, L. P. Doerhofer. Others who have already passed the \$5,000 mark in stable winnings are Wade McLemore, Herman R. Brandt and Richard D. Williams. The thirty leading owners and their stable records are:

PASSAGE OF RACING LAW IN WEST VIRGINIA AFFORDS OPPORTUNITY.

Poolrooms Placed Under the Ban, But Poolselling on Race Tracks Permitted by Bill Which Passes Both Branches of the Legislature.

Charleston, W. Va., February 24.—Both brances of the State Legislature this week passed a bill which, while prohibiting the operation of poolrooms in West Virginia, legalizes the selling of pools on the races within the enclosures in which racing is being conducted. Governor Glasscock, it is announced, will approve the bill forthwith. The passage of the bill was followed by the announcement that plans are under consideration for the construction of a modern track for thoroughbred racing at Chester, a town that is located in that narrow strip of West Virginia that protrudes itself between Pennsylvania and Ohlo, just west of Pittsburg. Chester is within less than one hour's ride of Pittsburg and the promoters of the proposed racing enterprise count upon sufficient patronage from the great steel metropolis to make the venture a success. The proposed track will lie entirely in West Virginia, just across the river from Ohio, within a couple of miles of the Pennsylvania state line, and forty miles north of Wheeling. The site, it is reported, has already been selected and is pronounced ideal for the purpose to which it is to be put.

The name of Claude Varnell of Wheeling, who

The name of Claude Varnell of Wheeling, who has been interested in other professional sports, is mentioned in connection with the promotion of the proposed track.

JOCKEY IS PRESENTED WITH MEDAL.

Tampa, Fla., February 24.—Continued cold weather served to keep many from the West Tampa track this afternoon. The crowd, however, was of fair proportions. The race for amateur riders which featured the program was won by Haymarket, on which Mr. Langtord had the mount, John Garner was second and Bertmont third. Dick Rose, the winner of last Monday's Hunts Purse, was presented to the successful rider.

After the finish of the fifth race all the jockeys were called to the judges' stand to participate in the presentation of a gold medal to jockey Dreyer for his effort in saving jockey Paul from injury during the running of a race on Friday last.

Jockey Jost was suspended three days by the starter for disobedience at the post.

John Hachmeister learned today of the dates assigned to Latonia and expressed pleasure at being able to open his meeting on Saturday, as it will afford the opportunity to many to witness the running of the Derby on a half holiday. Mr. Hachmeister leaves for Jaeksonville tomorrow and will remain there until March 1 looking after the entries for stakes at Latonia and Louisville.

Jockey Dreyer lodged complaint with the judges that jockey Jensen had struck his mount, Lady Maxim was much the best in the last race in which she ran today, but was away poorly.

JUAREZ TRACK AGAIN NEARLY NORMAL.

El Paso, Tex., February 24.—Milder weather was productive of an increased attendance here today, a fairly good crowd turning out to witness the running of an exceptionally good Friday card, the features of which were a handicap at six furlougs and an allowance race at seven-eighths.

The track showed decided improvement and had the effect of reducing the humber of withdrawals, and, while the fields were not large, good racing resulted. Trance, having a decided advantage in the weights, was quickly installed favorite in the handicap and had no trouble in easily disposing of her opponents.

opponents.

General Navarro, commander of the Federal forces at Juarez, and his staff, made their second visit to the races today, and profited by the success of several of the good things that went over notably Colonel Bronston, which placed at good odds. The further entry of Sona has been ordered refused by the board of stewards on account of her unruly actions at the post. In her last few starts she caused annoying delays by refusing to go to the post. Prestolite, one of the recent attrivals from Oakland, died today from preumonia contracted on the trip from California.

Jockey Glass carried off the riding honors of the day, winning with each of his two mounts.

DWYER TRACKS WILL BE IN LINE.

New York, February 24.—P. J. Dwyer, after looking over the racing situation here, said that he is ready to abide by the decision of a majority of the track owners. "If they decide to go ahead," said Mr. Dwyer, "Gravesend and Aqueduct will open, but before that occurs I hope the racing interests will get some relief from the courts. The present laws, in my opinion, are both drastic and unconstitutional and cannot stand a legal test. It is not a crime to bet, according to a ruling by the Court of Appeals, and that is why I believe the directors' liability act will be declared invalid. If it is, racing will go on, but under modified conditions."

PLANS FOR SARATOGA MEETING.

New York, February 24.—Although the racing associations of New York have not yet made public their plans for the coming season, the Saratoga Association is going forward with preparations for a most ambitious meeting. Three stakes have already been closed and the other fixtures will be opened during the coming month.

By April 1, twenty-eight stakes in all will have been closed for this meeting. Twenty-four of these are on the flat and the remaining four are for the steeplechasers. They comprise much the same list as that of last season.

NOTES OF THE TURF.

A movement is on foot for the acquisition of the Montgomery Park racing enclosure by the city of Memphis for public park purposes.

Rudolph Hulsman, a Sheepshead Bay hotel keeper whose hostelry was a rendezvous for turfmen in the east, dropped dead at a Brooklyh dance last Tuesday night.

COLSTON STRING GOES TO LOUISVILLE.

Lexington, Ky., February 24.—Raleigh Colston shipped his string of eight horses, including the Derby candidates, Colston and Silver Brush, to Churchill Downs at Louisville today.
